

Wilridge Winery

Estate Barbera

This lively red wine boasts a deep color, low tannins and bright acidity, with notes of blackberry, cherry, currant and spice. Both rich and light-bodied, the Barbera is the perfect companion to full-flavored foods. It's youthful, zesty and exciting, with juicy acidity and a perky, lingering finish.

Vintage: 2016

Variety: Barbera / Certified Biodynamic

Appellation: Naches Heights, Columbia Valley, Washington

Alcohol: 13.7%

Estate Viognier-Roussanne

This lovely wine is a blend of two Rhone Valley white grape varieties: Viognier and Roussanne. It's lush, soft, full-bodied and incredibly smooth with a clean mineral finish. Pleasing natural aromatics include stone fruit, flowers and herbs, with subtle notes of honey, pear, melon and apricot. It's perfect for summer — or any time of year that calls for a well-balanced white.

Vintage: 2016

Variety: Viognier-Roussanne / Certified Biodynamic

Appellation: Naches Heights, Columbia Valley, Washington

Alcohol: 13.6%

Estate Syrah-Mourvedre

A common red blend in southern France, Australia and South Africa, the Syrah-Mourvedre combines grapes that are natural partners: The Syrah is strong and spicy, while Mourvedre is deeply colored and aromatic. Tannic, full-bodied and richly textured, this robust wine offers flavors of dark and dried fruit such as plum and currant; dried herbs; and white pepper, with leathery notes and a jammy quality.

Vintage: 2015

Variety: Syrah-Mourvedre / Certified Biodynamic

Appellation: Naches Heights, Columbia Valley, Washington

Alcohol: 13.80%

Epicurean Wines

Spring Seed Shiraz

This bright, fresh red comes from the premium wine region of McLaren Vale, South Australia. It boasts notes of chocolate and red and dark berries. With smooth tannins, a long finish and a juicy character notable of the region, this wine was meant to be paired.

Spring Seed Shiraz is organically grown in the coastal region of McLaren Vale, made by Joch Bosworth and his partner, Louise Hemsley Smith. The reds from this region always exhibit a robust, dark color, and this Shiraz is no different.

Vintage: 2016 (bottled on Holly's birthday!)

Variety: Shiraz

Appellation: McLaren Vale

Winemaking: Picked ripe and fermented in open vessels. Matured in a mix of oak and stainless steel barrels. Made with organically grown Shiraz grapes, grown and processed without synthetic chemicals, fertilizers or GMOs.

Alcohol: 14.5%

The Chook Sparkling Shiraz

This is a complex, unique and fun sparkling wine that also hails from premium South Australian winemaking regions. It's a well-balanced blend of predominantly 3-year Shiraz that brings smooth, integrated fruit flavors and a rich, full mouthfeel: more savory than sweet. A touch of younger vintage Shiraz adds juicy, ripe fruit character to your glass.

Sparkling Shiraz is a true "Aussie" style of wine, and The Chook is one of the very few that actually uses the *Méthode Champnoise* technique: a process for making fine Champagnes and sparkling wines that ferments the wine twice inside the bottle.

Vintage: NV

Variety: Sparkling Shiraz

Appellation: McLaren Vale and Langhorne Creek

Winemaking: Blend of 3-year and young vintage Shiraz matured in French oak barrels. Gets its sparkle from *Méthode Champenoise*.

Alcohol: 13%

Langmeil Barossa Spring Fever Chardonnay

One of the world's most valued whites, Chardonnay, from one of Australia's most valued regions, this wine is as fun and inviting as spring itself. Its fresh, inviting aroma is a bouquet of preserved peaches, tropical fruit, hints of cucumber and a slight creaminess. The palate is bright and lively, led by peach and citrus flavors with notes of tropical fruit, citrus zest, cucumber and a touch of minerality to finish.

Spring Fever Chardonnay is a very fresh style of Chardonnay, relying more on the beautiful fruit flavors than the small amount of oak used in this wine. It's made by the Lindner family in the Barossa Valley town of Tanunda, just 40 minutes from Adelaide.

Vintage: 2017

Variety: Chardonnay

Appellation: Eden Valley, the high country and cool-climate district of Barossa.

Winemaking: Grapes harvested in April to create a wine that celebrates the start of the season. Matured in unwooded oak barrels.

Alcohol: 12%

Kasia Winery

Open Highway Red Mountain Syrah

This multi-award-winning wine is 100% Syrah, featuring complex aromas of dark blackberry and cocoa. The first sip unleashes black cherry, vanilla and subtle cooking spice flavors that linger on the palate. It's robust and refined with a full body and a touch of oak.

Vintage: 2016

Variety: Syrah

Appellation: Red Mountain AVA, Columbia Valley, Washington

Winemaking: Aged 19 months in all French Oak barrels (25% new). Non-filtered.

Alcohol: 14.7%

Bedrock Blend — Red Mountain Cabernet Sauvignon + Syrah

A beautiful 50-50 blend of power and grace, this wine offers fruit flavors and aromas that pair perfectly with chocolate, vanilla and cooking spices, as well as complex cheeses with nutty, rich, sharp and buttery notes. It leads with black cherry, supported by blackberry and violet flavors.

Vintage: 2016

Variety: 50% Cabernet Sauvignon / 50% Syrah

Appellation: Red Mountain AVA, Columbia Valley, Washington

Winemaking: Aged 19 months in all French Oak barrels (25% new). Non-filtered.

Alcohol: 14.7%

Off the Hook Red Mountain Rosé

One sip of this crisp, refreshing pale pink wine, and you'll be transported to a sunny patio on a clear, blue summer's day. It's lush, smooth, dry and light in color, offering amazing aromatic flavors of freshly picked strawberries, cranberries and juicy peaches.

Vintage: 2018

Variety: Rosé

Appellation: Red Mountain AVA, Columbia Valley, Washington

Winemaking: Blend of Cabernet Sauvignon and Syrah.

Alcohol: 13.3%
